Plant Foods Package With FREE Kiosk

We've figured out the product mix, and eliminated the hassles. With our new plant foods package and free kiosk, ordering and displaying PW Premium Plant Foods is a snap. Each kiosk comes with 10 cases of products, and depending on the package, holds 6 to 8 cases at a time. Made from durable, water-resistant plastic, your new kiosk takes up just four square feet of floor space and is available with or without casters.

One package provides enough plant food to stock your **FREE** kiosk plus extra for re-stocking.

Empty Kiosk

\$150.00

Starter Package A:

A great starter package that's appropriate throughout the season

5 cases (60 units) Time Release

5 cases (60 units) Soluble

Total Package Price: \$640

Spring Package B:

To help your customers give their new plants a healthy head start, recommend mixing time release food in with the potting soil

7 cases (84 units) Time Release

3 cases (36 units) Soluble

Total Package Price: \$715

Summer Package C:

During summer months when plants are getting established and gardeners are watering more often, soluble food is ideal

3 cases (36 units) Time Release

7 cases (84 units) Soluble

Total Package Price: \$564
